WHY SHOULD I APPLY?

Kubota Group is a global manufacturing company, specialising in agriculture, groundcare, water, and living environment products.

A Kubota apprenticeship is an opportunity to be part of the future of engineering and enables you to 'earn while you learn'.

By successfully completing a Kubota apprenticeship, you will achieve an industry approved qualification at the same time as gaining fantastic hands-on practical skills through a manufacturer backed scheme and earning a wage. During your apprenticeship you will be working with the latest technology, developing knowledge with machinery and IT systems.

APPRENTICESHIP FAQ'S

WILL I HAVE A MENTOR OR SOMEONE TO SHADOW?

You will be partnered with various experienced Service Engineers within the branch to give you the correct level of exposure to the different types of machinery, different skill sets and alternate ways to operating.

WHAT ARE THE ENTRY REQUIREMENTS?

Five GCSE's, grade 5 or above, including English and Maths, although we would not let grades be a barrier.

HOW MUCH TIME WILL I SPEND AT COLLEGE?

You would go to college four times a year for three-week stints, the rest of the time you would be at the branch.

WHO PAYS FOR MY TRAINING, TRAVEL, EXPENSES AND ACCOMMODATION?

We pay for your training, accommodation, you will also get paid your hourly pay whilst at college and travel expenses.

HOW MANY HOURS WILL I WORK A WEEK?

40 hours per week.

WHAT ARE THE CAREER OPPORTUNITIES AT THE END OF AN APPRENTICESHIP?

The goal is for you to become an independent field-based Service Engineer or Parts Advisor but we offer a range of other career advancement opportunities.
